### **Reston Business News**

*In this weekly column on the state of Reston's local economy we explore what's happening in the business scene.*

Enterra Solutions will open a new office in Iraq. The company provides business development solutions to emerging economies. The office will be located in the Kurdistan region of Iraq, and will serve the needs of the Iraqi government, the Kurdistan government, and the DoD. The Erbil based office will also serve as a hub for future expansion.
